

## Incompetent Trump

Incompetent Trump  
Loser boy from hell  
Trump is he with a wrong wrong mind  
Boyish boy, can't tie his shoes.

Why "incompetent?"  
Why a loser?  
Why the fuck not?  
'cause, for real, he is a liar.

Trump the lying cheat  
Macho fuck, and a bigot to.  
Trump with unfettered power.  
Take the wood from the tree of liberty.

And shove it up your ass.  
And beat you across the border.  
You don't belong here, he says.  
Even though you work harder than I ever have.

And I've worked hard.  
Labor and grit and effort.  
Feet so sore I could hardly stand.  
But was made to run.

Incompetent because of this study.  
Todrov, look it up.  
Almost 70% of the time  
People can predict the outcome of elections

Based only on their perception of "competence."  
Of course, Trump doesn't look competent.  
He looks quite the fool.  
But he looked it more than her.

Incompetent Trump. Incompetent Trump.  
We'll only win if we play his game.  
Better than he does.  
The facts are on the Left's side.

So incompetent Trump. Incompetent Trump.  
Loser boy, stupid child.  
Duped enough people into believing him.

Now leader of the free word.

How long can that freedom last?  
A guy like that, who'll do anything to win  
Will rip it from us, as fast as he can  
Unless we fight fight fight to keep it intact.
