

Incompetent Trump (Song Edit)

1.)Incompetent Trump
Loser boy from hell
Incompetent Trump
Trump is he with a wrong wrong mind
Incompetent Trump
Boyish boy, can't tie his shoes.
Incompetent Incompetent Incompetent Trump

1.)Incompetent Trump
Trump the lying cheat
Incompetent Trump
Macho fuck, and a bigot to.
Incompetent Trump
Trump with unfettered power
Incompetent Incompetent Incompetent Trump

2.)Why "incompetent?"
Why a loser?
Why the fuck not?
'cause, for real, he is a liar.

1.)The word "incompetent"
because of this study.
The word "incompetent"
Todrov, look it up.
The word "incompetent"
People can predict elections
Based only on what they see as "competent."

1.)Incompetent Trump
Trump doesn't look competent.
Incompetent Trump
He looks quite the fool.
Incompetent Trump
But he looked it more than she did.
More competent more competent than Clinton.

3.)He'll take the wood from the tree of liberty.
And shove it up your ass.
And beat you across the border.
You don't belong here, he says.
Even though you work harder than I ever have.
And I've worked hard.

Labor and grit and effort.
Feet so sore I could hardly stand.
But was made to run.

2.)How long can our freedom last?
A guy like that, who'll do anything to win
Will rip it from us, as fast as he can
Unless we fight fight fight to keep it intact.

1.)Incompetent Trump.
We'll only win if we play his game.
Incompetent Trump.
Better than he does.
Incompetent Trump.
The facts are on the our side.
Incompetent incompetent incompetent Trump.

1.)So incompetent Trump.
Loser boy, stupid child.
So incompetent Trump.
Duped enough into believing him.
So incompetent Trump.
Now leader of the free word.
Living until tomorrow just became a chore.
