EXT. BUSY STREET - WINDY, GRAY DAY

We open on a close-up of PRETTY WOMAN. She is a brunette, dressed very dark, but for fun. Velvet. We notice her eyes.

She stands at a bus stop. Across the street is the opposite stop. Standing, smoking a cigarette, is HOT GUY.

We focus again on Pretty Woman. Her eyes dart up, notice Hot Guy. She begins to look down, but is drawn to him. She focuses again.

Her pupils dilate. The sound of the busy street is overwhelmed by a percussive intake of breath.

The Hot Guy smokes his cigarette, looks at the ground.

A little further away, now, we focus on Pretty. Long beat, as thought passes across her face. Finally, she stumbles a bit, wrenches her body towards the approaching bus. Her eyes linger for one last chance.

Hot Guy stands, smoking his cigarette, looks in the direction of his bus then back at the ground.

Pretty can be seen in the back of the bus, eyes flicking towards him every few seconds. The bus lurches, accelerates, and moves off. Pretty Woman's eyes shoot one final chance, then eyes forward, bored.

Hot Guy puts out his cigarette, looks in the direction of the leaving bus, spots our girl. Instantly, he is smitten. His eyes follow the bus as it travels away.

[Author's note: Stop there, but I feel it should really end:

HOT GUY

Damn!
